## Print documents faster than ever

The Savin MLP31n/MLP36n deliver simple operation, an impressive overall value and two fast print speeds to choose from—all contained in a space-saving design. Packed with time- and money-saving capabilities, the Savin MLP31n/MLP36n are economical and highly productive solutions for small offices and workgroups.

## Fast & Productive

Speed through print jobs at a fast 31 or 36 pages per minute—some of the fastest print speeds in the desktop category.

- Put frustrating delays behind you. The Savin MLP31n/MLP36n warm up in less than 19 seconds and deliver first prints in just 6.9 seconds.
- Quickly print large files thanks to standard 192 MB RAM. Upgrade to 384 MB RAM or add an optional hard drive for even more power.
- Enjoy quality plus speed! The Savin MLP31n/MLP36n print professional graphics, text and drawings with resolutions up to 1200 x 600 dpi.

## Easy & Convenient

An easy-to-read LCD screen and easy-to-use control panel lets you quickly manage jobs and attend to the Savin MLP31n/MLP36n when they need attention.

- Production without interruption. The Savin MLP31n/MLP36n's simple paper path and smooth paper feeding and handling virtually eliminates paper jams.
- Find out right away if the printer needs paper, toner or other attention with instant e-mail alerts.
- A wide range of paper capabilities allows you to output letters, proposals and more—up to 8.5" x 14"—without switching printers. You can even print envelopes.

## Connected & Secure

Numerous built-in capabilities streamline everyday productivity and protect sensitive data.

- Advanced networking capabilities make the Savin MLP31n/MLP36n perfect shared printers for workgroups or small businesses.
- View job queues, check supply levels and more from your desktop using Savin SmartDeviceMonitor™ or Savin WebImageMonitor™. Administrators also will appreciate automatic meter reader and reporting via the Savin @Remote Intelligent Management System.
- Two options let you strengthen document security. Locked Print holds confidential documents until PIN-authorized release at the printer. The Network Protection Data Unit encrypts the data stream. Both are available with the optional HDD.

## Cost-Effective & Reliable

The competitively priced Savin MLP31n/MLP36n build long-term savings through their impressive overall value.

- Save upfront. The Savin MLP31n/MLP36n's attractive price makes adding a dedicated printer or a space-saving network printer an easy decision.
- Enjoy ongoing savings every day thanks to a low cost per page.
- Save paper costs and filing space. The optional Automatic Duplexing Unit keeps the Savin MLP31n/MLP36n's compact design intact.
